Seven wonders of Kiev

Kiev is the heart of Ukraine. There are a lot of ancient houses, priceless monuments of culture, famous churches, beautiful parks and squares, wonderful places worth visiting. Quite recently Ukrainians and guests of the city chose seven most amazing places in Kyiv and named them miracles. We offer to immerse in an old atmosphere of Kiev, see the main attractions and beauties in our best tour "Seven Wonders of Kiev"

Meet in Hotel

Our guide will come to your hotel (lobby area) or any other indicated address. You will see: St. Vladimir Cathedral, the Golden Gate, St. Sophia Cathedral, St. Andrew's Church, Vydubitsky Saint Michael Monastery, Kiev-Pechersk Lavra Monastery and House with Chimaeras.

We suggest start our trip with the most visited tourist attraction of the capital. St. Vladimir Cathedral is the main temple of the Ukrainian Orthodox Church, one of the most beautiful monuments of neo-Byzantine architecture, not only in the capital, but through out Ukraine

Andreevsky Descent is the oldest street in Kiev. The street was named in honor of St. Andrew's Church, which was established at the beginning of the descent in the middle of the VIII century. There is a legend, earlier on the place of the Dnieper was the sea, when the apostle Andrew came and installed a cross on a hill, the sea obeyed, and the water left

St. Sophia Cathedral is the pearl of the capital. "Sofia" was created by Prince Vladimir in 1011, more 1000 years ago! St. Sophia Cathedral is a fount of frescoes and mosaics of the 11th century.

The Golden Gate is an architectural monument of the defensive architecture of Kiev Rus, since the reign of Yaroslav the Wise. The Golden Gate performed not only a defensive function, but also was the central entrance to Kiev. This status was preserved for it until the 18th century

One of the masterpieces of the Ukrainian Baroque is the cathedral, the refectory and the complex of buildings of the Vydubitsky Saint Michael Monastery. Nowadays there are five churches in the area of the monastery. This is a surprisingly picturesque place where believers will be able to find unique places for inspiration and perfect location to pray

The Kiev Pechersk Lavra is the most famous monastery in Eastern Europe and the greatest shrine of Christianity. This shrine stands in the third place for the Orthodox world after Jerusalem and the holy Mount Athos

If you are hungry during the tour we know the unique, pleasant and comfortable places in Kiev where you can satisfy your taste and get aesthetic pleasure.

If you are interested in a separate object from the proposed tour, we will be happy to make an excursion according to your wish. Contact us for further details.]

Mystical Kiev

Talk about mysticism in this city - easy, the city has long been famous for legends about evil spirit. Even now, in present days, many believe that witches are still flocking to the Bald Mountain on the Sabbath The main office Glavpochtamt located at the place, where you can see the ghost, and on the most mystical street Andreevsky Descent, you can find the entrance to the another world. We would like to share with you the city's secrets with stories and facts opening the door to mystical Kiev during our journey through the city . Choosing this tour we suggest you wear comfortable clothes and bring an open and curious mind . Our guide will give you flashlight , tea in a thermos, cookies and all other necessary things ;)|

https://culturalkiev.com/bothanical_garden

Botanical garden with Photographer

Kiev Botanical Garden is one of the most visited sights of the city. And it's not surprising, because this is a real island of beauty and coziness in a busy city. It is easy to hide from the hustle and bustle under the canopy of trees, listen to the singing of birds, enjoy the surrounding view. Each season has its own melody. The spring symphony begins with the flowering of the first spring snow drops and continues with the riot of lilac and beautiful magnolias. Summer nakturn will play with the fragrance of roses, jasmine and linden. Autumn blues from the first notes will surprise with the brightness of colors, variety of shapes and flowering of charming dahlias and chrysanthemums. Winter sketches will give a fairy tale with fir trees and squirrels. The Botanical Garden works at any time of year, in the green houses the flowering of plants continues. The orangery "Garden of Eden" is constantly working - an artificially created tropical garden with strange trees, waterfalls, rare reptiles and amphibians of the Old and New Worlds. Being in this place, it seems that you are somewhere far away, on a small island surrounded by birds of paradise and fluttering tropical butterflies. Come, and look at this miracle with your own eyes! Go on an excursion we offer, accompanied by a photographer, to leave your walk in memory forever.]

https://culturalkiev.com/mezhyhirya_tour_of_corruption

Mezhyhirya- Tour of corruption

Mezhyhirya - is a former residence of Viktor Yanukovich in the village Novye Petrovtsy, Kiev region. The history of this place is extremely interesting. By sources, history begins In the X century, when the Greek monks led by the first Kyiv Metropolitan, were founded a monastery on this pictures queslopes. A lot has happened to this famous landmark over the time of its history and you will see what remains . The place has not lost its charming natural beauty. During the time of Yanukovych's presidency, this place was called a symbol of corruption of a presidential scale and a museum of corruption. Now this place has been returned to the people and primarily is an amazing place of beauty ! A large-scale natural complex, clean air, interesting infrastructure and entertainment for every taste, fountains and ponds, animals and birds, this place is definitely worth seeing and will leave warm memories in your heart even with its previous history.]

TOUR TO CHERNOBYL AND PRIPYAT Extreme tourism in Chernobyl — trip you will never forget! |

<https://culturalkiev.com/chernobyl>

Chernobyl Tour

In the early 80's, small townships Chernobyl and Pripyat were prophesied the cities of the future. Special sources of financing, innovative infrastructure, ideal conditions for life - all this was a reality until the morning of April 26, 1986. Today, cities where a "peaceful atom" carried heat to homes and confidence in the future are empty. And they are one of the most unusual extreme destinations in the world.]
